

BACK BUTTER BUDDY

THE ULTIMATE INSTALLATION TOOL FOR LARGE TILE & STONE

EASY "BACK-BUTTERING" OF LARGE TILE & STONE

FEATURES:

- Supports up to 200 lbs.
- Heavy duty construction
- Eliminates fatigue and injury
- Securely rests on bucket top
- Reduces breakage of tile and stone
- Designed for tile & stone 12" and up

Fits most standard 3.5 & 5 gal. buckets

No.	DESCRIPTION
BBB013 565921	Back Butter Buddy

1
Stack or individually place tile on bucket with Back Butter Buddy firmly attached. Apply thinset material as normal.

2
Simply rotate tile while continuing to spread (back butter) the thinset material.

3
Continue rotating while back buttering tile until surface is fully covered. Tile is ready to apply.
